The Valencia Society

Building on a Legacy
of Quality Care

Annual Reception
November 13, 2019

Dear Valencia Society family,

Tonight we celebrate the The Valencia Society and its members. Formed in 1997 by the late Governor William O'Neill and his dear wife, Nikki, this special community of individuals and organizations has grown significantly in numbers and impact. The ability to help others is one of the greatest gifts in life, and we are truly blessed to have over 500 members who exhibit such generosity.

By joining The Valencia Society, you are leaving a legacy that will truly transform lives. Your support helps us provide extraordinary and compassionate care for our patients — now and for generations to come. Strength comes in numbers and these estate gifts — large and small — collectively have an incredible impact on the healthcare of our community.

Our connections to Saint Francis Hospital and Mount Sinai Rehabilitation Hospital may be varied but through The Valencia Society we come together ... and through this partnership, we are making a profound difference. We are grateful to each one of you for the commitment you have made to our mission and to our neighbors. We have so much to be thankful for at Saint Francis Hospital and Mount Sinai Rehabilitation Hospital, and we count each one of you among our blessings.

As we gather tonight, we salute you for the trust you have placed in us as stewards of your gifts — and for everything you do for our remarkable hospitals. You humble and inspire us.

Ellen and Joe Spalluto

Ellen and Joe Spalluto were married in 1987 and had high aspirations of leaving their mark on future generations. They raised three beautiful, accomplished women, served on several community boards, volunteered for several non-profits, and were successful in various business ventures. However, their road to leaving a legacy at Saint Francis Hospital was paved by Ellen's parents, Dr. Brendan and Mrs. Maureen Fox.

Dr. Fox practiced urology at Saint Francis Hospital for 34 years, served on the hospital Board of Directors, and was a dedicated volunteer with the Auxiliary of Saint Francis. Maureen was a teacher, loved being a mother and grandmother and also volunteered at the Auxiliary. Their fondness and support of Saint Francis Hospital was boundless so they never hesitated when asked to become members of The Valencia Society. They wanted to make sure the hospital would always have what they needed to continue caring for our community.

Naturally, Joe and Ellen followed in the Fox family footsteps by becoming entrenched in Saint Francis Hospital activities, which included remembering the hospital in their estate plans. "We are fortunate at our age to have a handful of institutions that we value and feel are worth our philanthropic considerations," Joe said. "Thanks to Dr. Fox and Maureen, Saint Francis Hospital has always been one of them."

In April of this year, Maureen Fox passed away at Saint Francis Hospital. According to the Spallutos, their family's experience during her final days "solidified and reaffirmed what we always knew about Saint Francis Hospital. Quality and compassionate care continues at Saint Francis Hospital for every patient." They are comforted today knowing that Saint Francis Hospital is a vital part of their local community, and was there for Maureen and her loved ones when they needed it most.
