

Mount Sinai Rehabilitation Hospital

## A Giving Program to Honor Your Caregiver

Dear Friends,

On a daily basis, we receive praise from our patients about the everyday “stars” at Mount Sinai Rehabilitation Hospital who have transformed their lives. As a recent recipient of our services, we invite you to say “thank you” to the physician, therapist, nurse or colleague who has touched your life and made your future brighter. By honoring our “stars,” you will ensure that rehabilitation therapies and equipment will be continually maintained and upgraded. With a gift of \$100 or greater, your name and the name of your caregiver will be proudly displayed in a prominent location in the hospital.

Our grateful patients and their families are among our most precious resources, and your story is a reminder of our important healing Mission. We hope you will use the attached form to tell us about your experience. Your story will mean a great deal to our caregivers and those who may be considering Mount Sinai Rehabilitation Hospital as their destination for care.

Thank you for choosing Mount Sinai Rehabilitation Hospital, and I look forward to hearing from you.
